Dear Friends,

2009 was a pivotal year for KCSARC. We moved several key agendas and programs forward and in the midst of the recession, were able to secure funding to not only maintain our operations, but expand it. Thank you for your support!

We celebrate our successes with you. Some of you have been part of this effort since the beginning and some of you have just been introduced to KCSARC. No matter how long you have been a friend and supporter, know that your involvement has a huge impact on the health and well-being of our children, families and the entire community.

Mary Ellen Stone, MS  
Executive Director

Lisa Johnsen  
President, Board of Directors

P.S. Take action to end the silence. Talk with your friends, family, neighbors, and colleagues about sexual violence. Tell them that it is something they can prevent from happening to their loved ones and that KCSARC is here to help guide the way.
Ending the Silence through Voice, Courage & Change

KCSARC has grown to be the largest sexual assault victim’s service organization in Washington, providing direct comprehensive services for victims and families, free of charge. KCSARC is leading the conversation about sexual assault for victims, their families and the community! We know, through education and prevention there can be an end to sexual assault. Still, until we can put an end to sexual abuse, KCSARC is there to help people put their lives back together. Through therapy, family services, legal advocacy and our Spanish-speaking Dando Voz program we are changing the lives of victims and their families.

Three Decades of Dedication

On September 22nd supporters, friends and community leaders gathered to celebrate Mary Ellen’s 30th anniversary as KCSARC’s Executive Director! Mary Ellen has fearlessly and passionately dedicated herself to bringing the topic of sexual assault to the forefront and ensuring high-quality services to victims of sexual assault and their families. This celebration was generously hosted by long-time friends and KCSARC supporters Bill and Janette Adamucci.

Newly Equipped!

Through generous foundation support from Boeing Employees Community Fund and the McEachern Foundation, KCSARC was able to upgrade equipment in one of our Parent-Child Interaction Therapy (PCIT) rooms and add equipment to a second room to meet the growing demand for this effective parent education program. PCIT is an evidenced-based program for parents whose children, as a result of physical or sexual abuse, have serious behavior problems. Through participation in 12-20 sessions, parents learn how to provide nurturing care enhanced by positive discipline, thus reducing the likelihood of future abuse for their children. KCSARC is the only provider of English and Spanish PCIT in the state, utilizing bi-lingual and bi-cultural staff.

Once you find your voice, you never lose it.

-Ashlyn Ennesser, KCSARC Client
$100,000 Grant Award
KCSARC received a competitive and prestigious $100,000 grant award from the Washington Women’s Foundation to expand our Spanish-speaking Dando Voz program. Of the more than 260 nonprofit organizations that submitted letters of inquiry, we were selected by members of the Foundation as the award recipient in the Health category. “Through our rigorous research and review process, Dando Voz emerged as a vital community program that will reach even more children and families through our financial support,” said Carla Lewis, Washington Women’s Foundation President.

SALSA
Through the assistance of a two year grant beginning in 2009, KCSARC officially began a partnership with the Sexual Violence Law Center (SVLC) to create the Sexual Assault Legal Services and Assistance (SALSA) program. SALSA is dedicated to providing holistic legal services to survivors of sexual violence in King County with civil matters such as safety, housing, employment, education, privacy, immigration and family law. As part of the SALSA program, two of KCSARC’s Legal Advocates provide program coordination, client intake and screening, referrals, community outreach and advocacy support to SALSA clients. Through SALSA, designated KCSARC Legal Advocates conduct comprehensive interviews to screen for unmet civil legal needs and then refer those victims to a SVLC Attorney for legal representation. All SALSA clients have a KCSARC Legal Advocate and a SVLC Attorney to address their legal needs and social welfare. We are thrilled to have the opportunity to partner with the Sexual Violence Law Center so we can better service our clients and the community!

Communities Come Together
Throughout the year community leaders and KCSARC supporters gathered at various events and had the chance to hear stories of individuals and families positively impacted by KCSARC. The Seattle Breakfast raised more than $322,000 with over 800 guests in attendance. In Enumclaw over $19,000 was raised and in Renton over $25,000. Despite the rain, golfers hit the green at “Golf for Good” and helped raise $41,800!

- "As a parent, there is nothing more important than having ones child grow up safely. Rape, child abuse, both mental and or physical, are some of the most heinous crimes one can imagine that scars the victim for the rest of their lives. Most victims suffer in silence. This is where KCSARC shines, both from a preventative and healing standpoint. The more we talk about sexual assault, the more helpful KCSARC can be. There are many great causes in the world but nothing more personal than the aforementioned. I’m constantly reminded “what if it were my child?” If a family member, friend or colleague needed help; KCSARC would be my first call.” Peter Rose, Expeditors International CEO."
“As Vice President of Primary Care Service for Group Health Cooperative and the 2010 Board President for KCSARC I find these two organizations share some very common ground. The focus on prevention spans both organization’s commitment to the communities we serve, and is vital to the mission of both. The prevention of sexual abuse and assault is as important to the health of an individual and our communities as are immunizations and medical screening.”

Michael Erikson, Group Health Cooperative & KCSARC’s 2010 Board President
