INDEPENDENT AUDITOR'S REPORT

July 30, 2018

Board of Directors King County Sexual Assault Resource Center Renton, Washington

We have audited the accompanying financial statements of King County Sexual Assault Resource Center, a nonprofit corporation, which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activity, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to in the first paragraph of this letter present fairly, in all material respects, the financial position of King County Sexual Assault Resource Center as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and is not a required part of the financial statements. The accompanying schedule of state financial assistance is presented for purposes of additional analysis, and is also not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

Jacobon Janies & Co, PLLC

In accordance with *Government Auditing Standards*, we have also issued our report dated July 30, 2018 on our consideration of King County Sexual Assault Resource Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering King County Sexual Assault Resource Center's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2017 AND 2016

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued) Cash and cash equivalents

Cash and cash equivalents consist of general checking, savings, and money market accounts. King County Sexual Assault Resource Center maintains its cash and cash equivalents in bank accounts that may exceed federally insured limits at times during the year. King County Sexual Assault Resource Center has not experienced any losses in these accounts, and management does not believe it is exposed to any significant credit risk.

Fair value measurements

In accordance with financial accounting standards, a three-tiered hierarchy of input levels is used for measuring fair value. Financial accounting standards defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Valuation techniques utilized to determine fair value are consistently applied. The three tiers of inputs used for fair value measurements are as follows:

- Level 1: Fair values are based on quoted prices in active markets for identical assets and liabilities.
- Level 2: Fair values are based on observable inputs that include: quoted market prices for similar assets or liabilities; quoted market prices that are not in an active market; or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets.
- Level 3: Fair values are calculated by the use of pricing models and/or discounted cash flow methodologies, and may require significant management judgment or estimation. These methodologies may result in a significant portion of the fair value being derived from unobservable data.

As of December 31, 2017 and 2016, King County Sexual Assault Resource Center had no assets or liabilities measured at fair value on a recurring basis. Assets and liabilities carried at fair value on a nonrecurring basis using level 2 inputs generally include donated goods, facilities and services. Long-term promises to give are valued on a nonrecurring basis using the net present value of future cash flows discounted at an appropriate rate of return which is a level 3 input. King County Sexual Assault Resource Center also uses fair value concepts to test various long-lived assets for impairment.

Grants receivable

Grants receivable are based on billings submitted for reimbursement under contracts with various governmental agencies, are stated at net realizable value, and are considered fully collectible by management.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2017 AND 2016

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued) Promises to give

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Promises to give of \$87,661 and \$107,351 are shown net of the allowance for uncollectible amounts of \$7,556 and \$13,910 at December 31, 2017 and 2016, respectively, and are due in less than one year.

Furniture and equipment

Furniture and equipment are stated at cost or, if donated, at fair value at date of donation. Furniture and equipment with an original cost of \$1,000 or greater are capitalized. Depreciation is provided using the straight-line method over the estimated useful lives of the assets, principally three to seven years. In May 2017, the capitalization threshold increased to \$5,000.

Revenue recognition

King County Sexual Assault Resource Center recognizes grant revenue when amounts allowed to be billed for reimbursement according to the terms of the grant contract have been expended. Gifts and contributions are recognized as revenue when the pledge is made.

In-kind goods and services

Contributed materials have been recorded on the basis of rates that otherwise would have been paid for similar goods. Donated services are recorded as in-kind contributions and are recognized as revenue at estimated values at the date of receipt if they (a) create or enhance non-financial assets, or (b) require specialized skills and would need to be purchased if not provided by donation. Corresponding expenses are recognized as the assets and services are utilized. For the years ended December 31, 2017 and 2016, in-kind contributions of \$13,321 and \$13,887, respectively, consisted primarily of professional fees and donated facilities.

Restricted and unrestricted support

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the year in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported as net assets released from restrictions.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2017 AND 2016

NOTE A - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Gifts of equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Fees from government agencies

A substantial portion of fees from government agencies is derived from grants and contracts administered by various federal, state, and local government agencies.

Concentration of support and receivables

For the years ended December 31, 2017 and 2016, two governmental agencies provided 51% and 39%, respectively, of King County Sexual Assault Resource Center's total support and revenue. At December 31, 2017 and 2016, approximately 70% and 47%, respectively, of King County Sexual Assault Resource Center's grants receivable were due from the same two governmental agencies. A significant reduction in the level of this support or default on grants receivable, if this were to occur, would have a significant effect on King County Sexual Assault Resource Center's programs and activities.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activity and of functional expenses. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Federal income taxes

The Internal Revenue Service has recognized King County Sexual Assault Resource Center as exempt from federal income taxes under provision of Section 501(a) of the Internal Revenue Code as an entity described in Section 501(c)(3) and not as a private foundation.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2017 AND 2016

INDEPENDENT AUDITOR'S REPORT BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

July 30, 2018

Board of Directors King County Sexual Assault Resource Center Renton, Washington

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of King County Sexual Assault Resource Center (a nonprofit organization), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activity, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated July 30, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered King County Sexual Assault Resource Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of King County Sexual Assault Resource Center's internal control. Accordingly, we do not express an opinion on the effectiveness of King County Sexual Assault Resource Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether King County Sexual Assault Resource Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of King County Sexual Assault Resource Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering King County Sexual Assault Resource Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE AS REQUIRED BY THE UNIFORM GUIDANCE

July 30, 2018

Board of Directors King County Sexual Assault Resource Center Renton, Washington

Report on Compliance with Each Major Federal Program

We have audited King County Sexual Assault Resource Center's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of King County Sexual Assault Resource Center's major federal programs for the year ended December 31, 2017. King County Sexual Assault Resource Center's major federal programs are identified in the summary of audit results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of King County Sexual Assault Resource Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about King County Sexual Assault Resource Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of King County Sexual Assault Resource Center's compliance.

Opinion on Each Major Federal Program

In our opinion, King County Sexual Assault Resource Center complied, in all material respects, with the types of compliance requirements referred to in the first paragraph of this letter that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017.

Report on Internal Control Over Compliance

Management of King County Sexual Assault Resource Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered King County Sexual Assault Resource Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of King County Sexual Assault Resource Center's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
